

<p style="text-align: center;">Bremerton Community Theatre Play Selection Information Packet</p>
--

Thank you for your interest in submitting a play to direct for the Bremerton Community Theatre. The purpose of this document is to outline the application and selection process, as well as clarify our selection criteria.

If you have any questions, please do not hesitate to contact the current BCT Vice President who is also the Play Selection Committee Chair. His/her contact information can be found on the Contacts page at bremertoncommunitytheatre.org

Application Process

Read through this document and the *Play Submittal Forms*.

You are invited to submit up to three plays for consideration. Please complete the *Play Submittal Form*, and submit it to the BCT Play Selection Committee with all necessary materials by the 24th of September preceding the season you are interested in directing for. Submittal packages will be accepted year round and it is highly encouraged to take advantage of this.

Remember to include with your *Play Submittal Form*:

- 1 copy of the script (pdf preferred)
- 1 copy of the libretto (if you are submitting a musical)
- 1 copy of a CD or tape of the music (if you are submitting a musical)

If you are unable to provide the full libretto or recording at the time of submission, please include a note as to when it will be made available.

All scripts must be submitted at the prospective director's own expense. Scripts will be returned after the selection process is completed. If you have any questions about this please contact the Chair of the Committee directly.

You will be notified about BCT's decision regarding your play by March 1st, preceding the performance season.

Selection Committee

The Play Selection Committee consists of:

Committee Chair

The Chair of the Play Selection Committee also serves as Vice President on the BCT Board of Trustees.

Committee Members

Committee members will be chosen to represent a broad range of theatre experience, interests, and tastes. Committee members may not be members of the BCT Board of Trustees.

If a play is submitted by a member of the selection committee, it will be given the same consideration as other plays submitted, and will be judged purely on merit.

Selection Process

The Play Selection Committee will make its decision regarding submissions based in part on the following criteria:

Director's Experience in Theatre

Like most community theatres, BCT is funded primarily by ticket sales. Every play that BCT produces is a financial risk. Thus, we must take into consideration a potential director's previous production experience, such as directing, assistant directing, and stage-managing. If you are new director please see the "*New Director Guidelines*" attachment for further instruction.

Director's People Skills

BCT is a 100% volunteer-operated organization. People volunteer to participate in BCT productions because they love theatre, and because it is fun. No matter how brilliant your vision, your ability to work with people will determine whether or not those volunteers return to BCT in the future.

Play Submission Packet

The *Play Submittal Form* is your chance to "sell" your play to BCT. The level of preparation, organization, and thought that goes into the assembly of your Play Submission Packet could also be seen as indicative of how you might run a production.

Appeal of Play to Audience

Given that the sustainability of BCT depends almost entirely on ticket sales, the marketability of your play is crucial. If your play is not especially well known, or it is not written by a well known author, you might strengthen your submission by discussing what aspects of the play could be emphasized in publicity to "hook" an audience.

Balance of Material and Roles

BCT strives to offer a variety of comedy, drama, and musicals during any given season. Furthermore, we try to balance the number of male and female roles. In order to increase your chances of getting a play to direct, consider submitting both a comedy and a drama, or if you submit a play that has mostly male roles, consider also submitting a play with mostly female roles.

Ability of BCT to Produce the Play

Across seasons, BCT's financial situation and available resources vary. Please feel free to talk with the Selection Committee Chair about what the organization can realistically produce.

The Play Selection Committee will read the submissions and generate a packet of suggested plays for the upcoming season. The list will be submitted to the BCT Board of Trustees for approval. The packet will include the following information:

For the plays that the Play Selection Committee suggests for the new season:

Director's Play Submittal Form

Brief explanation of why the submission is a good candidate for the upcoming season

The BCT Board of Trustees will convene a special meeting once all board members have had an opportunity to read the plays in consideration.

This meeting will be a special meeting which will include only the topic of play selection.

If a board member has not read a play, they will not be allowed to vote.

The Selection Committee will be invited back for this meeting to answer questions and comment as necessary on the plays.

If the Board rejects a Committee recommendation, the Committee will nominate an alternate choice for that slot.

The Committee will actively negotiate with the Board and every effort will be made to achieve a mutually agreed consensus; though the ultimate decision rests with the Board.

Deadlines

September 24: Final day that packages will be accepted for consideration by the Committee for the following season.

March 1: Selection Committee contacts all directors who submitted plays regarding the final decision.
